Lampada IP44 da parete o plafone con struttura in alluminio, diffusore in policarbonato, terminali cromati e alimentatore integrato. Siba è stata ideata prevalentemente per l'installazione su specchi e, visto il grado di protezione, nei bagni.

IP44 wall or ceiling light with aluminium structure, polycarbonate diffuser, chrome-plated terminals and integrated driver. Siba is designed primarily for installation on mirrors and, given its degree of protection, in bathrooms.

Applique ou plafonnier IP44 avec cadre en aluminium, diffuseur en polycarbonate, embouts chromés et driver intégrée. Siba est conçu principalement pour être installé sur les miroirs et, compte tenu de son degré de protection, dans les salles de bains.

Aplique o plafón IP44 con marco de aluminio, difusor de policarbonato, terminales cromados y driver integrado. Siba está diseñada principalmente para su instalación en espejos y, dado su grado de protección, en cuartos de baño.

IP44 Wand- oder Deckenleuchte mit Aluminiumrahmen, Polycarbonatdiffusor, verchromten Endkappen und integriertem Driver. Siba ist in erster Linie für die Installation auf Spiegeln und, aufgrund ihrer Schutzart, in Badezimmern vorgesehen.
